

APCC Affiliate Day
Wednesday 4th May 2022
Agenda

Breakout Room One

10.00 – 10.30	<p>Zing365/ ZeST Platform</p> <p>ZeST is a unique people development and online training platform from Zing365, designed specifically for highly regulated businesses and for the modern workplace. The platform provides access to over 350 interactive compliance, technical and business skills modules. Through engaging content and live learning sessions, ZeST redefines how people perceive CPD and workplace learning.</p> <p>Benefits include:</p> <ul style="list-style-type: none"> • Setting learning paths and scheduling compliance courses to complement existing compliance visits and consultancy • Accessing up to 100 Live Learning webinars per year • Uploading your own content and material to the platform • Making new starters' induction easier with all company policies and training available in one place • Re-seller opportunity for APCC members
10.30 – 11.00	<p>Comentis</p> <p>Jonathan Barrett, CEO and Co-founder of Comentis will be sharing how combining technology and clinical expertise can be used to ensure firms consistently and objectively identify, support and report on financially vulnerable clients. He will also be sharing some insights on financial vulnerability trends Comentis have seen through their App, as well as answering any questions you have on this hugely important topic.</p>
11.00 – 11.30	<p>The Association of Governance, Risk & Compliance (AGRC)</p> <p>AGRC is a non-profit global professional accreditation and certification organisation and networking platform. AGRC aims to facilitate the exchange of knowledge and sharing of experiences among Compliance, Risk and Governance professionals (GRC) with the goal of growing its community to ensure multi-jurisdictional regulatory compliance in the financial services and exchange values, experiences, expertise & professional opportunities.</p> <p>In this session we will, introduce attendees to AGRC, showcase our certificates, member's area and associated networking opportunities, and present the work being carried out by our official training partners when it comes to the delivery of our courses and certificate programmes.</p>
11.00 – 12.00	<p>B4 Finance</p> <p>B4Finance is transforming the financial industry by simplifying investment and compliance workflows. The B4Finance team will present six different product lines designed to meet the distinct needs of the financial sector. Furthermore, they will discuss how Regulated firms can stay compliant while providing the best onboarding experience - This would be an interactive session so feel free to ask questions!</p>

APCC Affiliate Day
Wednesday 4th May 2022
Agenda

Breakout Room Two

10.00 – 10.30	<p>Mitigo</p> <p>Discover how to protect yourself from the two most damaging types of cyber-attack, email account takeover and ransomware. This session by Mitigo will bring to life the attacks that are hitting firms and take you through the steps needed to become protected.</p> <p>The session will cover the following:</p> <ul style="list-style-type: none"> • Through recent case studies, demonstrate how and why compliance consultants will be targets and the consequences of attacks. • Take a closer look at ransomware and email account takeover, and how they have evolved to bypass the expensive IT controls many have in place. • Demonstrate the need for operational resilience for FCA regulated firms.
10.30 – 11.00	Irwin Mitchell
11.00 – 11.30	<p>Global Relay</p> <p>Navigating BYOD Compliance – the inevitable regulatory intolerance for business communication on personal devices.</p>
11.30 – 12.00	<p>OAC</p> <p>OAC are specialists in pensions and investment redress. They will be giving a quick update on how they work with compliance consultants to help with redress related issues including compensation calculations, past business review and provisioning for the cost of potential future complaints. They will also be providing an overview of current issues in redress including the British Steel Consumer Redress Scheme and changes to the FCA's redress guidance.</p>
